ELEMENT™

Renouveau

The Element Renouveau is a wall-mounted railing system on which you can hook pre-assembled modules. Each module has its own brackets to allow positioning anywhere between two vertical rails.

The pre-assembled modules include: storage cabinets, drawer units, shelves and accessories.

The Element Renouveau storage system makes use of an interesting combination of materials to organize your space with style!

INNOVATIVE

- Purity of lines.
- Ventilated spacious system.
- Combination of materials.

FLEXIBLE

Users have the freedom to completely remodel their own storage space. It is the most reconfigurable storage system on the market.

ADAPTABLE AND EVOLVING

- A variety of modules to choose from that adapt to any organisational need.
- Possibility of adding drawer units, storage cabinets, shelves and accessories, at all times.
- Adjustable vertical rail width.

EASY TO USE

- Frosted glass fronts ensure quick visual locating of contents.
- Each module is a separate unit and can be positioned anywhere on the railing system.

BUILT TO LAST

- Metal supports, 3/4 inch thick shelves.
- Industrial hardware.
- Durable materials.

MOVABLE

Can easily be disassembled and moved.

FACILITATES MAINTENANCE

Leaves a space at the bottom for floor cleaning.
